**ABBY GUINHER,  
RIVER VALLEY HIGH SCHOOL  
MARCH 2011  
FEMALE ATHLETE OF THE MONTH**

Abby Guinther, March's Fahey Bank Athlete of the Month, was an integral part of River Valley's success this season. She was versatile on offense, playing any position from point guard to post, and on defense, she was able to defend any position. As the season progressed, she increased her rebounding. Abby had great stats for the month of March: Points per game 11.3, FG 46%, 3pt 43% and FT 59%. Abby was willing to take on any roll and would do anything coach asked.

Abby makes a difference in the game and as a lead on her team. River Valley's season would not have been nearly as successful without her attitude to do anything to make our team better.

*Honorable mentions:* Haleigh Blevins of Elgin, Megan Doty of Marion Catholic, Kaci Fitzgibbon of Pleasant, and Hannah Ratterman of Ridgedale.
