

**SHAWN DYER  
HARDING HIGH SCHOOL  
DECEMBER, 2009  
MALE ATHLETE OF THE MONTH**

Shawn Dyer, a 6'1" senior point guard, is a true leader both on and off the floor as well as in the weight room. Accordingly, he is a team speaking captain; he was also a captain as a junior. Shawn led Marion Harding to one of its best GBC starts ever in December as the Presidents were 6-0 in the month, including victories over Findlay and Napoleon in the GBC. Shawn has been All GBC the past three years and was named the District VI Player of the Year as well as All-Ohio last season. In six December games, Shawn has averaged 19.5 points, 7.8 assists, 6.8 rebounds, and 3.2 steals. He also shot 76% from the foul line, 49% from the field, and 33% from the three point arc. All of these statistics place him in the top 10 GBC league leaders and in the area's top performers. Shawn is a true team player who has helped his team achieve a great start to the 2009-2010 season with individual effort, work, and play. Shawn is surely deserving of the Fahey Bank Athlete of the Month for December 2009.
